CyberZone Newsletter - December 2007

page 1 of 1

Dear All,

Welcome to the latest newsletter from CyberZone. Here you will find updates about our winter trip, training opportunities, enrolments, staffing, and our next party. Enjoy!

Sadhana, CyberZone Manager

STOMP

**The Ambassadors Theatre, London
3pm, Saturday 17th November 2007**

Families at CyberZone recently enjoyed the fantastic show STOMP at The Ambassadors Theatre in London. Thanks to the generosity of the box office manager Terry Cooke we were offered 49 tickets worth £45.00 each for a fraction of the price.

CHRISTMAS PARTY

11am, Saturday 15th December 2007

You are invited to the CyberZone Christmas party. CyberZone members will be performing their own version of Stomp and also showing you their new computer skills by presenting their seasonal messages on computer. All CyberZone members and their families are welcome. Please bring food and soft drinks to share!

ENROLMENTS 2007-2008

Children and young people enrol at CyberZone once when they join. However parents and carers should enrol each year to ensure that the CyberZone Family Learning Workshop receives the correct level of funding. Please enrol with **Angela** the next time you visit CyberZone.

WINTER CLOSURE and NEW YEAR OPENING

CyberZone will be closed on Saturday 22nd and 29th December 2007. It will re-open in the new year on Saturday 5th January 2008.

TRAINING OPPORTUNITIES

Grants Officer Sally Fricker has successfully secured part-funding for certified training opportunities for CyberZone members. A limited number of members can attend certified courses in Health and Safety and Food Hygiene. If you are interested in getting trained please let **Sadhana** know.

GOODBYE LEANNE!

Leanne Muldoon recently left CyberZone as she has a new home outside of London. For over a year she made a valuable contribution to CyberZone by helping with shopping, administration and supporting members to engage with computers and other activities. She will be missed by members and staff but has promised to visit whenever she can and will hopefully join us for the Christmas party.

HELLO OLU!

Some of you will have met new volunteer Olu on the coach to Stomp. She is a volunteer youth worker who will be supporting members to access the computers, engage in other activities and events, and she will provide information about services for older members who are preparing to move on from CyberZone.
