CyberZone Newsletter – July 2008

page 1 of 1

Dear All,

Welcome to the latest newsletter from CyberZone. Here you will find staff updates and important dates.

Sadhana, CyberZone Manager

## WELCOME BACK WINSTON

We are absolutely thrilled to have Winston back from his duties at Ladywell Centre. He has returned to CyberZone to take care of the building and welcome you to the centre each Saturday morning.

## THANK YOU AND GOODBYE

We recently had to say thank you and goodbye to staff and volunteers at the end of their placements at CyberZone:

- Kapil joined us while Winston was away. He organised activities in the main hall and supported members to try out volunteering at CyberZone. Kapil has now returned to Ladywell Centre.
- Olu helped pilot the Transitions workshops and will continue with her college course in September.
- Polly and Andy supported children to access games consoles, computers and the pool table.

They made a fantastic contribution to CyberZone and we wish them the very best.

## FAMILY LEARNING @ CYBERZONE

As mentioned at the Friends of CyberZone meeting in June, funding for family learning cannot be guaranteed after the summer holiday. This may mean that a change in provision and staffing levels for family learning will be necessary, however the service to children will remain unchanged.

August 2008**

- Is the person you care for aged 15 years or more?
- Do you need information about other services for them to move on to as they get older?
- Do you want to know about services providing care, education, training, volunteering opportunities or employment?
- Do you want to discuss the needs and aspirations of the person you care for?

Then come to the Transitions workshops to find out more about MenCap Pathways, Community Education Lewisham, Connexions and Treloars.
